### CUSTOMER AGREEMENT

This is a legal contract between CapitalHive Trading, a registered financial services company in the British Virgin Islands and is fully licensed and regulated by the British Virgin Islands Financial Services Commission, herein after known as ("CapitalHive", "us" or "we") its successors and assigns, and the party/parties (the "Customer", "client" or "you") executing this document. This document, together with our [Risk Disclosure Statement](#), [Trading Conditions and Charges](#) and [Privacy Statement](#), represents the terms with which we Trade will do business with Customer. This document sets out the respective rights and obligations of both parties in connection with this service and both parties will accept and be bound by these terms on acceptance of the terms contained herein and on completion of the application form by Customer.

In connection with opening an account with us to speculate in, and/or purchase, and/or sell, Forex, Contracts for Differences (hereinafter referred to as "CFDs"), Options (hereinafter referred to as "Options") and Spread Betting, in commodities, metals, currencies and indices, and the receipt of such other services and products as we may, in its sole discretion, determine to offer from time to time in the future, Customer acknowledges that it has been advised and understands the following factors concerning trading in the over the counter market ("OTC") and/or Spread Betting market, in addition to those contained in the [Risk Disclosure Statement](#) which has been provided to Customer. We trade contracts for differences ("CFD") transactions in OTC.

In consideration of we agreeing to provide services to "Customer", "client" or "you" in connection with the purchase of Forex, CFDs, Options and Spread Betting in commodities, currencies, metals and indices and the receipt of such other services and products as we may, in its sole discretion, determine to offer from time to time in the future and which may be purchased or sold by or through us for Customer's accounts(s), Customer agrees that the following rights and obligations will govern the relationship between CapitalHive Trading and Customer.

### IMPORTANT NOTICES

OTC trading means that trading does not take place on a regulated exchange. There are no guarantees as to the credit worthiness of the counter party of your Forex, CFDs, Options and Spread Betting position. Also, there may be certain cases in which trading liquidity decreases, causing Forex, CFDs, Options and Spread Betting in commodities, currencies, metals and indices to cease, thereby preventing the liquidation of an adverse position which may result in a substantial financial loss.

We do not provide investment advice. The market recommendations, signals, information provided by and/or distributed by us are general in nature and based solely on the judgment of our personnel or from third party information providers. These market recommendations may or

may not be consistent with our market position or intentions, our marketing partners, and/or employees. The market recommendations and information provided by us are based upon information believed to be reliable, but we cannot and does not guarantee the accuracy or completeness thereof or represent that following such recommendations will eliminate the risk inherent in trading Forex, CFDs, Options and Spread Betting. Any market recommendations of, or information provided by, CapitalHive does not constitute an offer to buy or sell, or the solicitation of an offer to buy or sell, any OTC transaction. Customer understands and hereby agrees that Customer is capable of, and solely responsible for, assessing the merits and risks of any trade it may enter into with CapitalHive.

Customer understands that CapitalHive does not permit its Customer representatives to either exercise discretion or manage an OTC account. If Customer's account is not being traded with Customer's authorisation, Customer must notify CapitalHive immediately.

CapitalHive's margin policies and/or the policies of those banks/clearing houses through which trades are executed may require that additional funds be provided to properly margin Customer's account and Customer is obligated to immediately meet such margin requirements. Failure to meet margin calls may result in the liquidation of any open positions with a resultant loss. CapitalHive reserves the right to refuse to accept any order.

Customer understands that it must carefully review the reports relating to Customer's trading posted online by CapitalHive. All reports of execution and statements of accounts will be deemed final unless customer objects within two business days of being posted. Objections may be made initially by email or by telephone, but must be confirmed thereafter in writing.

Customer understands that CapitalHive may establish rules and provisions for client accounts, including but not limited to minimum account size, investment time period, commissions and fees, leverage size per instrument, mark ups, rules relating to stop losses and limits, rules relating to rollovers, rules relating to margin calls, or any other financial arrangement, and that such rules and provisions may be changed by CapitalHive from time to time.

Customer has read and understands the Customer's obligations and rights under this Customer Agreement and agrees and acknowledges that this Customer Agreement, the [Risk Disclosure Statement](#) and the Privacy Statement will comprise the terms of the Customer's relationship with CapitalHive.

The Customer agrees that Customer is fully responsible for making all decisions as to transactions effected for Customer's account. Customer has considered the foregoing factors and in view of Customer's present and anticipated financial resources, Customer is willing and able to assume the substantial financial risks of OTC trading.

**IT IS THE CUSTOMER'S RESPONSIBILITY TO FIND OUT ALL NECESSARY INFORMATION ABOUT TRADING IN FOREX, CFDs, OPTIONS AND SREAD BETTING AND CAPITALHIVE TERMS AND CONDITIONS AND MAKE SURE THAT ALL RISKS AND ARRANGEMENTS ARE DISCUSSED AND CLEARLY UNDERSTOOD PRIOR TO ANY TRADING ACTIVITY.**

For long Call and short Put positions, the closing price will be the prevailing bid price of the underlying FX/CFD at Expiration; and for short Call and long Put positions, the closing price will be the prevailing ask (offer) price of the underlying FX/CFD, as determined by CapitalHive in its sole discretion. Options that are not in the money will expire worthless.

- 10.4 We allow you to perform various transactions, including in respect of options based on various indices that shall be defined by us from time to time (for example, index rates and stock and

10.5 We will make available, by posting on [www.capitalhivetrading.com](http://www.capitalhivetrading.com), the current price applicable to a share or index, and offer you the opportunity to submit a put or call position in respect of such share. Each position shall be for a specified expiry time. We expect that the current prices will be reasonably related to the actual prices of such shares available in the market. We make no warranty, express or implied, that the quoted prices represent prevailing quoted prices.

16.10.12 The difference in quotations between the base assets is affected by the difference in rates between selling and buying of such assets in the market, and therefore the revaluation of selling and buying transactions shall be in different values.

16.10.13 Customers will incur costs in relation to the Spread Cost in closing the Old contract and Opening the New Contract and a Standard Overnight Interest charge.

16.10.14 In most cases, the debits shall be higher than credits.

16.10.15 Any open transaction held by Customer at the end of the trading day as determined by CapitalHive or over the weekend, shall automatically be rolled over to the next business day so as to avoid an automatic close and physical settlement of the transaction.

16.10.16 Customer acknowledges that when rolling over such transactions to the next business day, overnight interest may be either added or subtracted from Customer's account with respect to such transaction.

16.10.17 The overnight interest amount shall be determined by CapitalHive from time to time, in CapitalHive's absolute discretion.

16.10.18 Customer hereby authorizes CapitalHive to add or subtract the overnight interest to or from Customer's account for any open transaction that have accrued overnight interest, in accordance with the applicable rate thereto, each day at the time of collection specified on the trading platform for each individual instrument, as applicable.

## GENERAL TERMS & CONDITIONS

---

- 18.6 Neither CapitalHive nor any of its subsidiaries, marketing partners or agents has liability or duty of indemnification related to unusable data, lost or corrupt Customer transactions or data, by whatever means, in whatever form.
- 18.7 This limitation of liability additionally eliminates any duty or liability on the part of CapitalHive or any of its subsidiaries, marketing partners or agents related to unusable data, lost or corrupt Customer transactions or data, resulting in part or in whole from third-party software or networking goods or services or from internet related problems or from actions or events outside of CapitalHive's control.
- 18.8 CapitalHive and its subsidiaries, marketing partners and agents disclaim any and all liability resulting from or related to any breach of internet security or disruption, distortions or delays of Customer's connections to the internet, due to any reason.
- 18.9 As OTC is not an exchange traded market, prices at which CapitalHive deals at or quotes may or may not be similar to prices at which other OTC market makers deal at or quote.
- 18.10 Should a quoting or execution error occur, which may include, but are not limited to, a mistype of a quote, a quote that is not representative of fair market prices, an erroneous price quote from a dealer or erroneous price quote due to failure of hardware, software or communication lines or systems or inaccurate external data feeds provided by third-party vendors, CapitalHive will not be liable for the resulting errors in account balances. ## 19. FOREX, CFDs, OPTIONS AND SPREAD BETTING FLUCTUATION RISK

19.1 If Customer directs CapitalHive to enter into any Forex, CFDs, Options and Spread Betting transaction:

- (i) Any profit or loss arising as a result of a fluctuation in Forex, CFDs, Options and Spread Betting will be entirely for Customer's account and risk;
- (ii) All initial and subsequent deposits for margin purposes shall be made in U.S. Dollars, EUROS, Great British Pounds or Japanese Yen in such amounts as CapitalHive may in its sole discretion require; and
- (iii) CapitalHive is authorized to convert funds in Customer's account for margin into and from such foreign currency at a rate of exchange determined by CapitalHive in its sole discretion on the basis of the then prevailing money market rates.

## 20. INDEMNIFICATION

20.1 Customer agrees to indemnify and hold CapitalHive, its subsidiaries, marketing partners, agents, employees, agents, successors and assigns ("CapitalHive Indemnities") harmless from and against any and all liabilities, losses, damages, costs and expenses, including attorney's fees, incurred by any of CapitalHive indemnities arising out of Customer's failure to fully and timely perform Customer's obligations herein or under any Third Party License or should any of Customer's representations and warranties fail to be true and correct.

20.2 Customer also agrees to pay CapitalHive indemnities promptly all damages, costs and expenses, including attorney's fees, incurred in the enforcement of any of the provisions of this Agreement and any other agreements between CapitalHive and Customer.

20.3 In addition to any limitations of liability specified elsewhere in this Agreement, CapitalHive indemnities shall not be held liable and are released from all claims and losses incurred in such regard if the claim or loss was caused or contributed to by:

# GENERAL TERMS & CONDITIONS

---

- (ii) Any act or omission by any person obtaining access to Customer's account, whether or not Customer has authorized such access or not,
- (iii) System malfunction, equipment failure (whether Customer's equipment or CapitalHive's equipment), system interruption or system unavailability,

20.4 CapitalHive shall be entitled to setoff Customer's liabilities under this section from Customer's account.

## 21. MARKET ABUSE AND MANIPULATION

### 21.1 PROHIBITION ON ARBITRAGE AND MANIPULATION

- 21.1.1 CapitalHive does not permit the practice of arbitrage when trading and strictly forbids any form of manipulation of its prices, execution, and platform or making transactions based on errors, omissions or misquotes on the CapitalHive platform.
- 21.1.2 Price latency, connectivity delays, and price feed errors sometimes create a situation where the prices displayed do not accurately reflect market rates. The concept of arbitrage and "scalping", or taking advantage of these Internet delays, cannot exist in an OTC market where the client is buying or selling directly from the market maker.
- 21.1.3 Any transactions that rely on price latency or price feed errors may be subject to intervention which includes the right to void any transactions which CapitalHive has determined to be a result of any of these practices, revocation of profits, widening of spreads, block of trading and any other necessary corrections or adjustments on the account without prior notice.
- 21.1.4 If CapitalHive suspects or has reason to believe that Customer has abused the terms and conditions by hedging positions internally (using other trading accounts held with CapitalHive) or externally (using other trading accounts held with other brokers), CapitalHive reserves the right to cancel any trades or profits associated with Customer's account(s).

### 21.2 MARKET ABUSE

## GENERAL TERMS & CONDITIONS

---

21.2.1 CapitalHive may hedge our liability to you by opening analogous positions with other institutions or in the underlying market. The result of our doing this is that when you trade with us your trades can, through our hedging, exert a distorting influence on the underlying market for that index, in addition to the impact that it may have on our own prices. This creates a possibility of market abuse.

21.2.2 Customer represents and warrants, and agrees that each such representation and warranty is deemed repeated each time Customer opens or closes a position that:

(a) Customer will not place and has not placed a trade with us relating to a particular index or any other CFD price if to do so would result in Customer, or others with whom Customer is acting in concert together, having an exposure to the price of the underlying financial instrument which can create a situation of market abuse.

This exposure can be equal to or exceeding the amount of a declarable interest in the relevant financial instrument. For this purpose, the level of a declarable interest will be the prevailing level at the material time, set by law or by the stock exchange(s) or other exchange upon which the underlying financial instrument is traded; and

(b) Customer will not place and has not placed a trade with us in connection with:

(i) a placing, issue, distribution or other analogous event;

(ii) an offer, take over, merger or other analogous event; or

(iii) any other corporate finance style activity, in which Customer is involved or otherwise interested; and

(c) Customer will not place or close a position and Customer will not place an order that contravenes any primary or secondary legislation or other law against insider dealing or market manipulation. Customer agrees that CapitalHive may proceed on the basis that when Customer opens or closes a position or places an order on a share price, Customer may be treated as dealing in securities within the meaning of the relevant statutes or regulations.

21.2.3 In the event that (a) Customer places or closes any trade or places an order in breach of the representations and warranties given, or CapitalHive has reasonable grounds for suspecting that Customer may have done so, CapitalHive may at our absolute discretion and without being under any obligation to inform Customer of our reason for doing so close that trade and any other trade or trades that you may have open at the time, if

# GENERAL TERMS & CONDITIONS

---

applicable, and also at our absolute discretion cancel any trades or profits associated with Customer's account(s)

21.2.4 Customer acknowledges that trade are speculative arrangements and Customer agrees that Customer will not enter into any transactions with us in connection with any corporate finance style activity.

21.2.5 Customer acknowledges that it would be improper for Customer to deal in the underlying market if the sole purpose of such a transaction was to impact on our bid or offer prices, and Customer agrees not to conduct any such transactions.

## 22. EXECUTION OF ORDERS, STOP AND LIMITS

22.1 CapitalHive will use commercially reasonable efforts to complete all orders which it may, in its sole discretion, choose to accept in accordance with the oral or written or computer instructions of Customer.

22.2 CapitalHive reserves the right to refuse to accept any order.

22.3 CapitalHive may, at its sole discretion, allow Customer to specify a closing price for a transaction at the trading platform through a "Close at Loss" and "Close at Profit" order, subject always to the terms of this Agreement and any other terms and conditions CapitalHive may implement from time to time.

22.3.1 "Close at Loss" means an offer to close a transaction at a price determined in advance by Customer which, in the case of a transaction that is opened by offering to buy a specific number of a certain instrument, is lower than the opening transaction price, and in the case of a transaction that is opened by offering to sell a specific number of a certain instrument, is higher than the opening transaction price.

22.3.2 "Close at Profit" means an offer to close a transaction at a price determined in advance by Customer which, in the case of a transaction that is opened by offering to buy a specific number of a certain instrument, is higher than the opening transaction price, and in the case of a transaction that is opened by offering to sell a specific number of a certain instrument, is lower than the opening transaction price.

22.4 Upon Customer's offer and CapitalHive's acceptance of an order, Customer hereby authorizes CapitalHive to close the transaction at the Close at Loss price or Close at Profit price, as applicable, and as agreed upon in the order, without further instruction from or notification to Customer.

22.5 CapitalHive may, in its sole discretion, close the transaction when the price quoted by CapitalHive on the trading platform equals the price accepted by CapitalHive for such an order.

# GENERAL TERMS & CONDITIONS

---

- 22.6 Customer acknowledges and agrees that CapitalHive shall not be obligated to close a transaction which does not otherwise comply with any other limitations agreed upon with respect to such transaction.
- 22.7 Customer acknowledges and agrees that due to market volatility and factors beyond CapitalHive's control, CapitalHive cannot guarantee that a Close at Loss order will be executed at the level specified in Customer's order. In such an event, CapitalHive will close the transaction at the next best price.
- 22.8 If, before Customer's "Limit Order" offer to open or close a transaction is accepted by CapitalHive, CapitalHive's quote moves to Customer's advantage (for example, if the price goes down as Customer buys or the price goes up as Customer sells) Customer agrees that CapitalHive will execute the closing transaction at the Customer's specified price and not better. Customer agrees that CapitalHive can retain such price movement for its own account.
- 22.9 Customer is aware that a part of CapitalHive's revenues derives from the spreads on each transaction. The spread is the difference between the bid & the ask price of the price quote on a transaction. Therefore, in case the fair market price reduces CapitalHive's spread in a specific transaction, CapitalHive may, at its sole discretion, choose not to execute such transaction, in which case CapitalHive may send Customer an amended quote for his consideration. CapitalHive may complete a transaction at its sole discretion in case the fair market price does not affect CapitalHive's spread from the transaction and / or increases it.

## 23. RISK ACKNOWLEDGMENT

- 23.1 Customer acknowledges that investment in leveraged and non-leveraged transactions are speculative, involves a high degree of risk, and is appropriate only for persons who can assume risk of loss of their entire margin deposit.
- 23.2 Customer understands that because of the low margin normally required in OTC trading, price changes in OTC may result in significant losses.
- 23.3 Customer warrants that Customer is willing and able, financially and otherwise, to assume the risk of OTC trading, and in consideration of CapitalHive's carrying his/her account(s), Customer agrees not to hold CapitalHive and any of its subsidiaries, marketing partners or agents responsible for any losses incurred by Customer.
- 23.4 Customer recognizes that guarantees of profit or freedom from loss are impossible in OTC trading.
- 23.5 Customer acknowledges that Customer has received no such guarantees from CapitalHive or from any of its representatives or any introducing agent or other entity with whom Customer is conducting his/her CapitalHive account and has not entered into this agreement in consideration of or in reliance upon any such guarantees or similar representations.

## GENERAL TERMS & CONDITIONS

---

23.6 The high degree of leverage that is obtainable in the trading of Forex, CFDs, Options and Spread Betting transactions can work against you as well as for you. Leverage can lead to large losses as well as gains.

23.7 During times of extreme volatility it can be difficult or impossible to execute orders.

## 24. MARKET RECOMMENDATIONS AND INFORMATION

24.1 Customer acknowledges that:

- (i) Any market recommendations, signals and information communicated by any method of communication to Customer by CapitalHive and any of its subsidiaries, marketing partners, agents or by any person within CapitalHive does not constitute an offer to sell or the solicitation of an offer to buy any OTC contract, and that CapitalHive does not provide investment advice
- (ii) Such recommendation and information, although generally based upon information obtained from sources believed by CapitalHive to be reliable, may be based solely on a broker's opinion and that such information may be incomplete and may be unverified, and
- (iii) CapitalHive makes no representation, warranty or guarantee as to, and shall not be responsible for, the accuracy or completeness of any information or market recommendation furnished to Customer and shall not be responsible for any loss or damage including without limitation any loss of margin or profits which may arise directly or indirectly from use or reliance on such recommendations or information.

24.2 Customer understands that Customer is solely responsible for assessing the merits and risks of any trade it may enter into with CapitalHive whether as a result of information provided by CapitalHive or otherwise.

24.3 Customer acknowledges that CapitalHive and/or its officers, directors, marketing partners, associates, stockholders or representatives may have a position in or may intend to buy or sell Forex, CFDs, Options and Spread Bets, which are the subject of market recommendations furnished to Customer, and that the market position of CapitalHive or any such officer, director, marketing partner, associate, stockholder or representative may not be consistent with the recommendations furnished to Customer by CapitalHive.

24.4 Customer acknowledges that CapitalHive makes no representations concerning the tax implications or treatment of any trading activity.

## 26. ISLAMIC ACCOUNTS

- 26.2 In the event that Customer designates its account as an Islamic account, Customer may not keep transactions in such account open for more than 5 days and may not otherwise abuse such benefit.
- 26.3 CapitalHive reserves the right to cancel the aforesaid benefit at any time and take any action necessary in CapitalHive's absolute discretion due to abuse of this benefit.

# GENERAL TERMS & CONDITIONS

---

27.3 The Customer recognizes that risk capital is the amount of money the Customer is willing to put at risk and the loss of it would not, in any way, change the Customer's lifestyle.

27.4 The Customer agrees to immediately inform us if the Customer's financial condition changes in such a way to reduce the Customer's net worth, liquid assets and/or risk capital.

## 28. NO SEPARATE AGREEMENTS

28.1 Customer acknowledges that Customer has no separate agreement with CapitalHive or any of its employees or agents regarding the trading in Customer's CapitalHive account, including any agreement to guarantee profits or limit losses in Customer's account.

28.2 Customer understands that Customer must authorize every transaction prior to its execution unless Customer has delegated discretion to another party by signing CapitalHive's limited trading authorization or as otherwise agreed in writing with CapitalHive, and any disputed transactions must be brought to the attention of CapitalHive's Compliance Officer pursuant to the notice requirements of this Customer Agreement.

28.3 Customer agrees to indemnify and hold CapitalHive and its subsidiaries, marketing partners and agents harmless from all damages or liability resulting from Customer's failure to immediately notify CapitalHive's Compliance Officer of any of the occurrences referred to herein.

## 29. MARKETING PARTNER REFERRAL DISCLOSURE

29.1 CapitalHive Group may engage with advertising marketing partners/referrers/marketing partner ("Marketing partner") who are wholly separate and independent from one another and from CapitalHive Group. Any agreement between CapitalHive Group and Marketing partner does not establish a joint venture or partnership and Marketing partner is not an agent or employee of CapitalHive Group.

29.1.1 CapitalHive Group does not control, and cannot endorse or vouch for the accuracy or completeness of any information or advice Customer may have received or may receive in the future from CapitalHive Group's Marketing partners or from any other person not employed by, or acting on behalf of CapitalHive Group, regarding the risks involved in the trading of Forex, CFDs, Options and Spread Betting or the risks involved in such trading.

29.1.2 Since Marketing partner is not an employee or agent of CapitalHive, CapitalHive does not endorse or vouch for the services provided by the Marketing partner. It is the Customer's responsibility to perform necessary due diligence on the Marketing Partner prior to using any of their services.

## GENERAL TERMS & CONDITIONS

---

- 29.1.3 Customer understands that in order to trade with CapitalHive the Customer must open an account directly with CapitalHive. In addition, Customer hereby acknowledges, agrees and understands that the use of a trading system, course, program, research or recommendations of an Marketing partner, Trading Agent or any other third party will not necessarily result in profits, avoid losses or limit losses.
- 29.1.6 Because the risk factor is high in Forex, CFDs, Options and Spread Betting trading, in case Client does not have the extra capital he can afford to lose, Client should consider carefully before trading.
- 29.1.7 Customer understands and acknowledges that CapitalHive Group may remunerate an Marketing partner for referring Customer to CapitalHive and that such remuneration may be on a per-trade basis or other basis. 30.5 Customer acknowledges that upon receipt of the POA, CapitalHive is authorised to follow the instructions of the Trading Agent in every respect until CapitalHive is notified in writing by the Customer that the POA is revoked or the POA has expired.

The Customer authorises CapitalHive to debit Customer's Account in accordance with the terms agreed between Customer and Trading Agent and which are set out in the POA.

30.6 Customer acknowledges that the Trading Agent and many third party vendors of trading systems, courses, programs, research or recommendations may not be regulated by a government agency. It is the Customer's responsibility to perform necessary due diligence on the Trading Agent prior to using any of their services and to satisfy themselves of its competence and/or suitability to the Customer.

30.7 Customer acknowledges that it or the Trading Agent may elect to use an automated trading system. Customer acknowledges that CapitalHive does not take any responsibility for any such system. The Customer is aware of the volume of trading and resulting commissions that such systems may generate and the impact that this may have on the performance of the Account. Customer accepts the risks associated with the use of computers and data feed systems, which may include, but are not limited to, failure of hardware, software or communication lines or systems and/or inaccurate external data feeds provided by third-party vendors and the Customer further agrees to hold CapitalHive harmless from any losses in the Account associated with these risks.
